

Tesla Certified Trade-In Wholesale Portal

Tesla Staff User Manual

Guide for Tesla employees — listers and administrators

Audience: Tesla Employees & Super Admins

Login URL: teslatradeins.com.au/login/tesla

Document version: 1.0 — June 2026

1. Welcome

Welcome to the **Tesla Certified Trade-In Wholesale Portal**. As a Tesla employee, you can list certified trade-in vehicles, manage wholesale partner accounts, and approve or reject partner reservations.

Important: No sales are final until approved by Tesla. Partners see this disclaimer on every page.

Role overview

Role	Capabilities
Tesla Employee	Create/edit/delete listings, approve reservations, manage partners, view audit log
Super Admin	All Tesla Employee capabilities + manage Tesla employee accounts

2. Logging in

1. Open: <https://teslatradeins.com.au/login/tesla>
2. Enter your Tesla email and password
3. Click **Sign in**

Use the **Tesla Employee Login** page — not the Partner login page.

Forgot password

Click **Forgot password?** on the login page and follow the email reset link.

3. Tesla Dashboard

After login, you arrive at the **Tesla Dashboard** with four sections:

Section	Purpose
Listings	Create and manage vehicle listings
Reservations	Review and approve/reject partner reservations
Partners	Invite and manage wholesale partner accounts
Audit Log	View all platform activity

4. Managing vehicle listings

4.1 View all listings

1. Dashboard → **Listings**

2. All listings are shown with their current status

4.2 Listing statuses

Status	Meaning
Available	Live on partner inventory
Reserved	Partner has reserved; hidden from other partners
Pending Approval	Awaiting your approve/reject decision
Sold	You approved the reservation
Rejected	Reservation was rejected; vehicle re-listed

4.3 Create a new listing

1. Listings → **New Listing**
2. Complete all fields:

Field	Description
Make	Vehicle manufacturer (default: Tesla)
Model	e.g. Model 3, Model Y
Year	Model year
Mileage (km)	Odometer reading
Exterior Colour	e.g. Pearl White
Interior Colour	e.g. Black
VIN	17-character Vehicle Identification Number
Condition Grade (1–5)	1 = poor, 5 = excellent
List Price (AUD)	Indicative wholesale price (not transactional)
Available From	Date vehicle is available for partners
Description	Full condition notes, service history, damage
Photos	Upload one or more vehicle photos

3. Click **Create Listing**

List prices are **indicative only**. Final sale terms are agreed offline after Tesla approval.

4.4 Edit or remove a listing

- You can **edit** or **delete** a listing at any time **before** it reaches **Pending Approval** or **Sold** status
- Once a partner reserves a vehicle, it moves to **Pending Approval** — edit options are limited

4.5 Optional: notify partners of new listings

In **Partners** section, enable:

☒ *Email all active partners when a new listing goes live*

Requires Resend email integration to be configured.

5. Managing reservations

5.1 View reservations

1. Dashboard → **Reservations**
2. All reservations are listed with partner details and vehicle information

5.2 Approve a reservation

1. Find the reservation with status **Pending Approval**
2. Review partner company, contact details, and vehicle information
3. Click **Approve**
4. Vehicle status changes to **Sold**
5. Partner receives a **confirmation email** automatically

Approval constitutes Tesla's written confirmation of the sale. A Tesla representative should follow up offline.

5.3 Reject a reservation

1. Find the reservation with status **Pending Approval**
2. Click **Reject**
3. Enter a **rejection reason** (required)
4. Click **Confirm Reject**
5. Vehicle returns to **Available** status (visible to all partners again)
6. Partner receives a rejection email with your reason

5.4 Reservation workflow

```
Partner reserves vehicle
    ↓
Vehicle hidden from all other partners
    ↓
Email sent to Tesla team
    ↓
You approve or reject in Reservations
    ↓
Partner notified by email
```

6. Managing partner accounts

6.1 View partners

Dashboard → **Partners** — lists all invited wholesale partner companies.

6.2 Invite a new partner

1. Partners → **Invite Partner**
2. Complete the form:

Field	Description
Email	Partner's login email
Contact Name	Primary contact person
Company Name	Wholesale company name
Primary Contact	Name shown on reservations

Phone (optional)	Contact phone number
------------------	----------------------

3. Click **Send Invite**
4. Partner receives an email with login credentials
5. Partner must change their password after first login

Partners **cannot self-register**. All accounts must be invited by Tesla.

6.3 Deactivate a partner

1. Find the partner in the list
2. Click **Deactivate**
3. Partner can no longer log in; existing reservations are unaffected

7. Audit log

Dashboard → **Audit Log**

Records all significant actions with timestamp and user:

Action type	Example
VEHICLE_CREATED	New listing added
VEHICLE_UPDATED	Listing edited
VEHICLE_DELETED	Listing removed
VEHICLE_RESERVED	Partner reserved a vehicle
RESERVATION_APPROVED	Tesla approved a sale
RESERVATION_REJECTED	Tesla rejected a reservation
PARTNER_INVITED	New partner account created
PARTNER_UPDATED	Partner details changed

8. Super Admin — managing Tesla employees

Super Admin users only

1. Navigate to **Admin** dashboard
2. **User Management** → **Add Employee**
3. Enter name, email, and initial password
4. New employee can log in at `/login/tesla`

9. Business rules (enforced by the system)

Rule	Detail
One reservation per vehicle	Only one partner can reserve at a time
Reserved = hidden	Reserved vehicles immediately hidden from all other partners
No sale without approval	Status only becomes Sold after explicit Tesla approval
Partners see own data only	Partners cannot see other partners' reservations

Tesla cannot reserve	Tesla employees cannot reserve vehicles
All actions logged	Every status change recorded in audit log

10. Disclaimers shown to partners

The following appears on all partner-facing pages:

"All reservations are subject to final approval by Tesla. No sale is confirmed until you receive written confirmation from Tesla."

Listings display:

"No sales are final until approved by Tesla."

11. Quick reference

Task	Steps
Log in	teslatradeins.com.au/login/tesla
Create listing	Dashboard → Listings → New Listing
Approve reservation	Dashboard → Reservations → Approve
